Home Cooked Meals - who has time in 2009? WE do!

Welcome to the Farmington Valley's favorite new comfort food "to go" spot, where we do the cooking for you! We cook fresh daily so you don't have to - our cost effective entree sizes serve two (or one very hungry person!) We also have single serve options for those looking for a smaller portion size. You can count on our "best sellers" in the cases every time you visit, plus numerous Chef Specials which change weekly. In addition, we serve a **full lunch menu daily from 11:00a.m.-3:00 p.m.** - salads, sandwiches, burgers and more - cooked to order- all to take out or eat in at our lunch counter. Ask us about our catering and holiday menu packages!

☺ Bring home the "good old days" - from Good2Go.
